

Woundcare

## Elastic wide mesh bandage

Ready to Use  
Bandafix® for a fast  
and secure fixation of  
wound dressings.

---

Bandaging is easy with Bandafix® on any part of the body. Bandages are quick to apply and always secure, even on the most difficult parts of the body. There is no need for plasters or other fastenings. Wound inspection and compress changing are a simple matter when you use Bandafix®.

## Bandafix® Ready to Use

Bandafix® Ready to Use products are available in different applications, covering each part of the body. Ready to Use products are quick and easy to apply. The advantage of this Ready to Use bandages is that virtually no cutting is required.

## Bandafix® Nose bandage

Bandafix® Nose bandage is quick and easy to apply. Because of the excellent absorption capacity frequent change of the nose bandage is not required.
