

Woundcare

Elastic wide mesh bandage

1, 5 & 25meter
Bandafix[®] for fast
and secure fixation
of wound dressings.

Bandaging is easy with Bandafix® on any part of the body. Bandages are quick to apply and always secure, even on the most difficult parts of the body. There is no need for plasters or other fastenings. Wound inspection and compress changing are a simple matter when you use Bandafix®.

Bandafix® 1 meter

This product is a typical retail product and marketed through pharmacies, drugstores and department stores. Various applications and directions for use are printed clearly on all packaging.

Bandafix® 5 meter

This product is especially developed for the general practice, small users and retail markets. Various applications and directions for use are printed clearly on each dispenser box.

Bandafix® 25 meter

This product is especially developed for hospitals. Various applications and directions for use are printed clearly on each dispenser box.
